

THE FCAI LARRY NEDROW SCHOLARSHIP

The *FCAI Larry Nedrow Scholarship* was created by the NIPDI Board of Trustees to further educational development within the market served by NIPDI contributing contractors. FCAI scholarships are offered on behalf of the finishing industry. It is not required that the nominee/applicant contribute to the NIPDI fund, be related to a NIPDI contributing contractor, or have any connection with FCAI. A scholarship recipient's event is planned to receive your award and celebrate all scholarship winners.

NOMINATIONS, ELIGIBILITY & REQUIREMENTS

1. Each contributing contractor in good standing is eligible to nominate one student for the FCAI Larry Nedrow Scholarship each year. To nominate a promising student, the FCAI contributing contractor need only complete the "Sponsorship" section of the Application Form and forward it to the nominee, along with these instructions.
