WAGE RATE SHEET: FCAI GLAZIERS LOCAL 157

Glazing Wage Rates are determined by two established wage areas, which correspond to the various local unions that comprise PDC 30's jurisdiction. When a Bargaining Unit Employee works in any geographical jurisdiction, the Employee shall receive the higher of: (1) the hourly wage rate for the area in which the Employee's Local Union is chartered (the "Employee's Home Zone"), or (2) the hourly wage rate for the area where the work is being performed. The Fringe Benefit Rate combines the fund contributions to be paid on each covered employee. PDC 30 Pension Contributions are not required on behalf of Apprentices, and PDC 30 Health & Welfare Contributions vary for Journey Workers & Apprentices. See Articles 9 & 10 of the CBA for more details.
