Anthony Darkangelo

FCA International

Anthony Darkangelo is the Chief Executive Officer of FCA International. His formal education

from both the University of Detroit School and Lawrence University School of Architecture provided him with a sturdy foundation for the last 25 years in the construction industry. Anthony's experience with contracting, design build, consulting, and supply has provided perspective and experience value to his current position.

In addition, he has spent many hours studying negotiation, leadership, and personal development. His understanding and commitment to leveraging the FCA community continue to create new opportunities for the FCA and its members.
