and heavy hors d'oeuvres.*

Register Today!

Join FCA of Illinois for our annual
Supplier Trade Show
at Harry Caray's Ballroom on
Thursday, April 18.

Contractors, please register in advance and attend this event to receive your voucher to use as **FREE money** with any of the FCAI Associate Members present at the Trade Show.

The exact amount of money contractors receive is based on the NIPDI contribution amount their PDC #30 members produced in 2023.

If you qualify, this year's rebate amounts have increased and are now up to **\$6,000.**

Please look for an email or mailing for your rebate amount. Please contact the FCAI office at 630.264.7880 if you *have not received a notification* about your amount by **March 15, 2024.**

*Must be an FCAI Contractor in good standing (current with all FCAI/DC#30 benefits and Funds) and attend this event. Contractor Companies must have a NIPDI contribution in the year 2023 produced by PDC #30 members to be eligible to receive a rebate. Vouchers can only be spent with Supplier Members and their representatives present at the event. Vouchers and vendor invoices must be submitted by **May 17, 2024** to the FCAI Office. NO EXCEPTIONS. There is no minimum/maximum order. Vouchers may not be redeemed for cash or broken down into smaller increments. Vouchers are not transferable. If an order exceeds the amount of the voucher, FCAI is not responsible for the excess amount. Contractors are responsible for paying the supplier the full amount for their order and submit receipts; FCAI will issue contractors a check for the rebate amount.
