Holiday Party Recap

The Taylor and Fischer family at the Peoria Museum.

The Central Chapter hosted a very special Holiday Party at the Peoria Riverfront Museum on Saturday, November 4th.

This well attended event featured a delicious meal in the dome planetarium under the stars. After dinner, all our guests had private access to the multiple Museum Galleries, including the Body Worlds RX: Prescriptions for Healthy Living, The Center for American Decoys, and Bronzeville to Harlem. A special thank you to Chris Vespa and sons Lincoln and Sawyer for creating the special Christmas tree!

The Vespa Family enjoys the exhibits at the Peoria Museum.

Festive pajamas were encouraged at the Holiday Party.

Playing on the Big Screen was Elf - the featured movie - along with popcorn and snacks. The gift shop was also open with many unique items to choose from.

Once these fun activities concluded, the audience members were captivated with a Uniview Presentation in the Planetarium. We wrapped up our night with the ever popular centerpiece give-away and delicious dessert.

This year, we are asked guests to make a donation of new or gently used winter gear to be equally divided between the Peoria and McLean County Salvation Army locations.

This family event is near and dear to the Central Chapter's Heart and we are so thankful to have hosted such a heartwarming event.
