Apprentices Invited*

Contractors, you must register in advance to attend this event to receive your voucher to use as **FREE money** with any of the FCAI Associate Members present at the Trade Show.

The exact amount of money contractors receive is based on the 2025 NIPDI contribution amount from their PDC #30 members.

*Must be a Central Chapter Contractor in good standing (current with all FCAI/DC#30 benefits and Funds) and attend this event. Contractor Companies must have a NIPDI contribution in the year 2025 produced by PDC #30 members to be eligible to receive a rebate. Vouchers can only be spent with Supplier Members and their representatives present at the event. Vouchers and vendor invoices/receipts must be submitted by **May 22, 2026** to the FCAI Office. NO EXCEPTIONS. There is no minimum/maximum order. Vouchers may not be redeemed for cash or broken down into smaller increments. Vouchers are not transferable. If an order exceeds the amount of the voucher, FCAI is not responsible for the excess amount. Contractors are responsible for paying the supplier the full amount for their order and submit receipts; FCAI will issue contractors a check for the rebate amount.
